# Astrological Compatibility

Astrologically, each individual is represented by a chart of the planets and houses at the moment of his birth. By comparing and contrasting the interrelationships of two separate charts, the astrologer can reveal the many ways and many levels that two people relate with each other. This is the astrological art of synastry as it has been practiced for several thousand years.

This report analyzes each of the two selected charts and interprets the astrological connections between them. The charts' data, along with planetary positions and house cusps, are printed on the previous page. There are four possible sections to this report, two for each of the charts. Any one of them, or all four of them, will be included here depending on which were requested. For each individual the two possible sections are: 1) How this person approaches relationships. This section considers only the one chart, and is appropriate for all relationships this individual makes. 2) How this person relates specifically with the second person. Here each paragraph interprets a contact between the two charts from one chart's point of view. The text here pertains to this one relationship only, and should be understood in light of the actual nature of the relationship.

Remember that every relationship contains points of similarity and harmony as well as points of conflict and discord. Through understanding, it is possible to cultivate and encourage the positive and harmonious, and keep relationships growing and fruitful through the highs and lows of the passing years.

# Overview

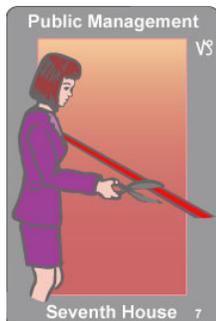

## Celine and Rene

Here we have two types that have perhaps more in common than they may enjoy. It is differences that make for hot chemistry, not "sameness," and both Celine and Rene share one main trait, and that is independence.

Both are very much independent and not used to being asked to play either the role of lover and caretaker, or loved one, object of care. They tend to stand alone and don't easily bend. Independence aside, when it comes right down to it, Rene's investment in this relationship is much greater than Celine's.

But there is to be a relationship, some bending on both parts will be required, mostly on Celine's part. Rene is naturally the less independent of the two, and will without thinking want to take on the role of care giver - lover. This leaves Rene to the role of the object of affection, the loved one. If she can enjoy that role, then the relationship has a good chance. If not, then all bets are off. It really is up to Celine to decide.

# How you Approach Relationships

## Report for Celine

You are always sensitive to others' feelings, and you pick up on even the slightest change in mood. Life for you is, above all, an experience to be lived and felt, and you find yourself sometimes up and sometimes down. You look to your partner for continual advice and guidance. You prefer a mate who is able to give you an overview or picture of what is happening. It's even OK if your partner runs a tad cool, because you tend to run a little hot... sometimes gushy. You depend on the calm, disciplined advice of a good manager -- which is what your partners often turn out to be.

*Capricorn On 7th Cusp*

You like a partner that is a hard worker, perhaps a little on the serious side -- a mainstay of the community. They may tend to run a little cooler than hot, and this is OK with you. You may benefit from the discipline that an older, more accomplished, life brings to you. You may have a tendency to find your partners restrictive and too serious at times.

*Saturn Ruler of 7th*

# Strengths in your Relationships

## Report for Celine

You love to talk and write, and you probably do so beautifully. Your sense of color, harmony, manners, and all that is artistic, is beyond reproach. You know quality, and people love to let you pick out art or arrange color schemes for them.

*Mercury Conjunction Venus (orb: 00 40')*

You are attractive and tend to be physically active. You just might participate in or manage some athletic endeavor. You are in tune with your feelings and really know how to play a crowd for the maximum response. You can always count on support from those around you. You seldom hide how you feel and therefore are no stranger to an occasional argument. You probably got a lot of emotional support as a child, especially from your mother.

*Moon Conjunction Mars (orb: 02 28')*

You were born lucky and have never had trouble finding support and approval from others. You may find that working with people is what you want to do for a career. Whether professionally or not, you will find yourself guiding and directing other people in one way or another. You have a way with other people and could do well in advertising, sales... any occupation that works with the public. If anything, you might have had it a little too easy, been a little too lucky.

*Moon Trine Jupiter (orb: 02 57')*

A real love of science and natural laws. You are a hard and tireless worker with absolute determination and the ability to carry great projects through to completion. Always the protector to all those you come to know, you tend to have long and secure relationships. Since you are a natural conservative, those older than yourself (authority figures) tend to benefit you.

*Sun Conjunction Saturn (orb: 04 38')*

You really know how to pace yourself and seldom waste a moment or a move. It would be difficult for you not to be a success at anything you choose to do. Career problems seldom last long or prove very difficult. Others remark on your creative energy, great drive, and the fact that you never seem to let up. It all runs so smoothly. You may be moved to work with the law, publishing, education -- any field where you have an opportunity to guide and educate others.

*Mars Trine Jupiter (orb: 05 25')*

You love to lose yourself in your latest dream, whether it be a person or a project. You find it easy to be caught up in images -- dreams, psychology, metaphysics, cinema, etc. You probably love movies -- anything that flicks on the silver screen. You may be an artist and you certainly run with an artistic crowd. You are charming to the point of being enchanting. Very idealistic.

*Venus Trine Neptune (orb: 07 35')*

# Challenges in your Relationships

## Report for Celine

Power struggles are no stranger to you. You tend to put off confrontations until they build up and then explode, kind of like having your own built-in volcano. You probably have considerable emotional tension and a strong sexual drive. Your flair for secrecy could find you with more than one lover, several affairs.

*Venus Opposition Pluto (orb: 02 23')*

You may have a tendency to poke your nose into others' business. You can't resist, and yet you're often afraid of what you'll find. Skeletons in the closet and sensitive areas of people's lives both fascinate and terrify you. You have trouble just coming right out and dealing with a touchy subject. It puts you through too many changes. You would rather snoop around.

*Mercury Opposition Pluto (orb: 03 03')*

You could have a fear of the new and different -- of sudden changes. However, once they occur you really get a charge out of them. You would like to break away and live an unusual, exciting existence, but your conventionality holds you back from making the move. The result is that you often feel frustrated and mired in the humdrum. Jealousy in love affairs could present a problem.

*Venus Opposition Uranus (orb: 07 57')*

# Your Relationship with Rene

## Report for Celine

The two of you may end up working with the public on some health or service-related project. That may even be how you met. Rene personifies, and brings to your attention, concerns that you have known about for a long time but perhaps never acted upon. Things like diet, smoking, exercise, preventative medicine... anything that exemplifies a caring attitude. He is very supportive, and when you are with him it seems that all these endless details are easy and even fun to care for.

*His Moon In Your Sixth House*

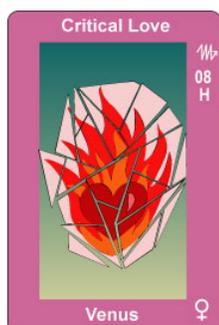

Meeting Rene has got to be good for you, at least for your health and personal habits. He is sure to give you a hand at implementing all those many projects that you have never gotten around to doing, like eating better, cutting down on this, and so forth. He is really able to get you to work on taking care of these kinds of details. And he cares for you in about every way you could imagine. Where else could you get this kind of service? In many ways he is your own conscience come alive. Working hand and hand with him should take a great burden off your mind.

*His Sun In Your Sixth House*

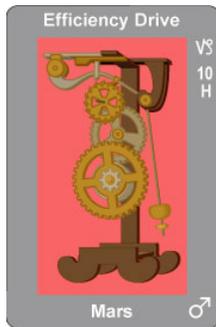

The two of you have a great rapport. There is mental kinship. In fact a talk session with Rene almost amounts to therapy for you both. There is a real sense of mutual reflection. It would be hard for you to find a more productive intellectual companion. It is possible that you may work together in some public way through speaking, writing, investigating. A real meeting of the minds.

*His Mercury In Your Seventh House*

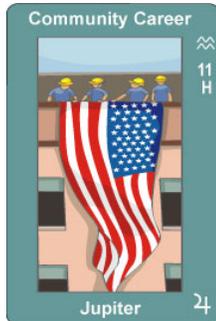

He finds you more sexy than just attractive. You felt this quality from the first. His appreciation for you is quite bare and direct. It cuts through words and needless explanations. You can't resist. It's as if he already knows the real you and likes what he finds. He handles the most sensitive areas of your personality without even asking your permission. He knows what to do. A very exciting condition.

*His Venus In Your Eighth House*

Rene is on a one-person campaign to bolster your career and public image. He seems to know which way you are headed and wants to give you a boost in that direction. He is very ambitious when it comes to your career and is always pushing to improve your prospects. Although this can be tiresome, and you may not always be in the mood for improvement, it is mostly beneficial. He really does know what he is doing.

*His Mars In Your Tenth House*

He is a very social being and may be the key to your making friends in the community or within a particular group. His high ideals and selflessness guide you in your own behavior. He could introduce you to political or social values that are uplifting. The two of you share dreams and ambitions. He can show you how to put these ideas to work. A good friend.

*His Jupiter In Your Eleventh House*

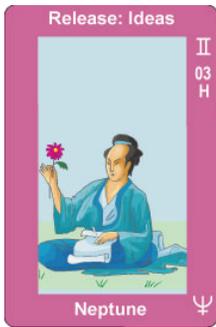

Whatever this relationship may or may not be, it probably is not a social triumph. Rene may tend to be a damper when it comes to group or community get-togethers. Your friends may not like him, or he may be critical of the goals of a particular group. Any groups he might approve of would have very strict morals and ethics. He may simply not like to get together in groups.

*His Saturn In Your Eleventh House*

Rene has the capacity for introducing you to radically new goals and groups of people. Perhaps through him you will meet a whole new set of friends, or be part of a group working on a new-age project. You may come to have a completely new idea of your fellow man, of brotherhood, and all of that stuff. He has radical ways of seeing things. All this may come as quite a surprise to you and may upset the traditional apple cart. He is anything but boring.

*His Uranus In Your Eleventh House*

I am sure both of you wax poetic when you're together. Your imagination is in top form and you seem to rise to the occasion and find just the right words. There is an almost dreamy or unworldly quality about your communications. You get carried away very easily and may sometimes wonder if there is a tendency for you each to delude the other. Who cares? It's just like in the movies!

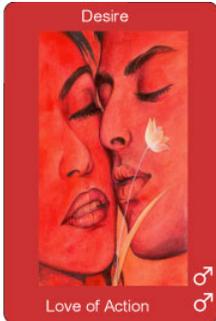

*His Neptune In Your Third House*

You found Rene intense and direct from the start. Here is someone you just can't ignore. This can be a very exciting relationship. You feel he can look into inner secrets and will not hesitate to challenge you. Conversations tend to be deep and turbulent. You may find yourself going through major changes through knowing him. There may be a struggle for control or power.

*His Pluto In Your First House*

# Strengths in your Relationship with Rene

## Report for Celine

This could be a very physically satisfying relationship, one with lots of action and good emotional exchange. Work hard; play hard. You may have a healthy sense of competition, since you both tend to urge the other to greater heights. Sports or exercise could be important.

*Your Mars Conjunction His Mars (orb: 00 22')*

He has a way with words which you find flattering and interesting, since the subject is often you. He loves to talk to you and may also write you letters. You find him stimulating mentally, and communication is most often smooth.

*Your Sun Sextile His Mercury (orb: 01 21')*

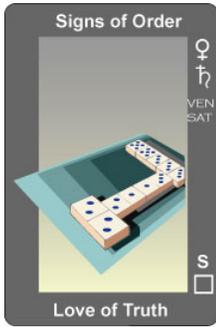

Rene may be one of your most valuable assets and have a great influence on your career and life direction. Through his support you may succeed in finding solutions to many a problem. You work well together and would make good partners.

*Your Sun Sextile His Jupiter (orb: 01 59')*

Emotions run high with the two of you, but mostly it's very healthy. There is a strong sexual rapport. He finds you very supportive when it comes to his feelings and emotions. This is probably a very active relationship. He tends to push you on to be a real provider.

*Your Moon Conjunction His Mars (orb: 02 50')*

You have a natural appreciation for his problems and are probably very understanding with him. You may love his sense of organization and self-discipline. You may be a trifle undemonstrative when you are around him, a little too sober perhaps.

*Your Venus Sextile His Saturn (orb: 03 01')*

Rene may be a real help when it comes to disciplined thinking, mental organization, and study in general. You are able to talk about his problems easily. You are able to put into words situations in which he finds himself.

*Your Mercury Sextile His Saturn (orb: 03 40')*

This is about as close to a mutual admiration society as any two are likely to get. Rene is very supportive of your values and ideals. You might even feed on this. You have always felt simple admiration and love for him. You just like the way he feels.

*Your Venus Sextile His Moon (orb: 04 06')*

Rene likes talking and communicating with you. You have a knack for bringing out the best in him, making it easy for him to say what's on his mind. He feels your genuine support and enjoys what he finds himself saying and thinking in your presence. He knows that he can speak his mind when he is with you.

*Your Mercury Sextile His Moon (orb: 04 46')*

You understand his need for analysis and self-examination, and probably have helped him thru many deep changes. You are really tuned in and sympathetic with this need for transformation on his part. He puts you through a lot of changes too, but you love it.

*Your Sun Trine His Pluto (orb: 05 13')*

# Challenges in your Relationship with Rene

## Report for Celine

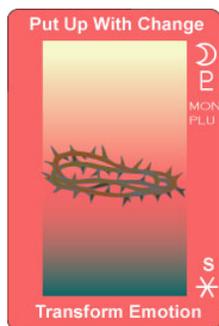

Power struggles are likely, as well as harsh feelings. Your drive and ambition may tend to ignore his need for confrontation and analysis. You may refuse to face sensitive issues. This is a very emotional, and possibly explosive, relationship.

*Your Mars Square His Pluto (orb: 02 50')*

You may not feel very supportive of Rene, and he may not be able to depend on you as much as he would like. He seems to go against your feelings more than a little, and this could lead to many a confrontation.

*Your Moon Square His Sun (orb: 03 38')*

The fact that you find it difficult to put up with his need for confrontation and self-analysis may cause resentment. Your lack of support in this area may lead to explosive times and hurt feelings. You are tired of the tension and don't feel like putting your emotions through one more transformation.

*Your Moon Square His Pluto (orb: 05 18')*

A basic lack of communication, particularly regarding Rene's career decisions. He tends to go against your way of thinking, or you refuse to talk about this subject with him. It may be difficult to communicate.

*Your Mercury Square His Jupiter (orb: 05 58')*

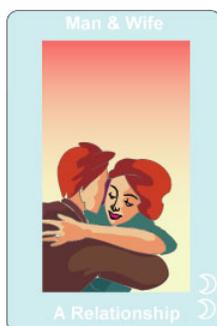

The two of you may tend to get very emotional, and you could clash over many issues. He may feel that he doesn't get enough support from you, and that you are pushy and aggressive. You may not feel like pouring a lot of energy into his needs and demands.

*Your Mars Square His Sun (orb: 06 06')*

Romance aside, this is not a good combination for any business relationship. You are not very appreciative of his decision-making, and you probably seldom take his advice when it comes to career decisions. He may persevere against your best wishes, with the result that he may tend to overdue, overspend, and get carried away.

*Your Venus Square His Jupiter (orb: 06 37')*

Push me; pull you. There is a tendency to end up feeling at odds with one another no matter what the issue. This could manifest in hard feelings and a lack of support on each of your parts. It is a no-win situation, and even a bit humorous.

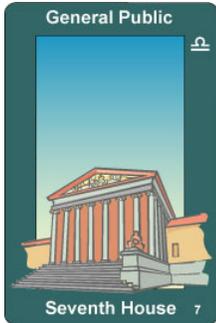

*Your Moon Square His Moon (orb: 06 46')*

Heavy feelings and emotional drama will be a part of this relationship. You may feel that he refuses to support your life ambitions. You may find yourself hurting his feelings again and again. A stormy marriage.

*Your Mars Square His Moon (orb: 09 14')*

# How you Approach Relationships

## Report for Rene

You tend to be impetuous and daring in the way you come across. Your seeming innocence does not always make up for a tendency to be too direct at times -- some might say rude. You fall in love easily, often, and you are not afraid to rush into a relationship. Above all, you always seem to go after those with manners, education, and a dignified appearance. You love to be the bull in someone's china shop. You tend to seek a real diplomat for a partner, one who delights in smoothing over your rough spots.

*Libra On 7th Cusp*

With you, good looks count a lot. You like partners who are charming, refined, and appreciate the better things in life. You may depend on them for appreciation and love, and you probably share the same set of values. They tend to dote on you, and you like it that way.

*Venus Ruler of 7th*

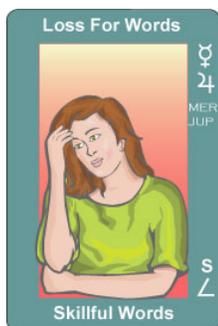

# Strengths in your Relationships

## Report for Rene

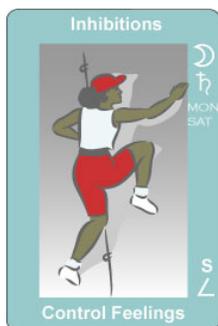

You love whatever is new or different, and breakthrough flashes of original insight are typical. You could invent something, and you have a natural love for communication and new-age technology. You appreciate independence and originality in others, especially in a partner, and may tend to have unusual friends who are very likely male. You like to keep things spontaneous.

*Sun Trine Uranus (orb: 00 35')*

You are a great problem-solver, and can always think of a way to do almost anything. Your friends know you to be fair, and your integrity is unquestionable. You may find yourself interested in legal matters, publishing, philosophical and religious subjects, and would make a good teacher or instructor. Scientific investigation would interest you.

*Mercury Trine Jupiter (orb: 00 38')*

Others soon learn how responsible you are, and that they can depend on you for real support. Sure, you are perhaps a little too organized and run more cool than hot, but you really do care and never let your friends down. Whatever you do is built upon a solid foundation, and that includes relationships. Too serious? Aloof? Perhaps, but you are loyal, dependable, and don't enter into relationships lightly.

*Moon Trine Saturn (orb: 01 06')*

You are comfortable with your sexual identity, and tend to be emotionally well balanced. There is a natural rhythm in the way you handle the day-to-day problems of work and play, with the result that you are capable of sustained effort. These same qualities affect your relationships too. They tend to be harmonious and long lasting.

*Moon Conjunction Sun (orb: 03 08')*

You have a knack for coming up with just what the crowd wants. You are nothing else if not an original. You can take an ordinary event and turn it into something brand new, really special. You may have had a somewhat unusual upbringing, and you like a partner who is independent and also a bit unusual. Things are seldom boring with you, for you always have just the right idea of what to do.

*Moon Trine Uranus (orb: 03 43')*

You have a sense of the extraordinary and wonderful about you. People sense that you have an insight into the larger picture, and you can communicate this idea of unity to a group. You are great at working with images, whether psychological, artistic, or cinematic. You probably love movies and music, anything with a grand theme or gesture. You are not just another dreamer. You can put your imagination to work. Your partner may have to work overtime to live up to your ideal of him/her, and to keep you down to earth and away from woolgathering. You need someone who loves to explore the dreamy psychological underside of life. You see beneath the surface of things.

*Sun Trine Neptune (orb: 03 54')*

A real love of science and natural laws. You are a hard and tireless worker with absolute determination and the ability to carry great projects through to completion. Always the protector to all those you come to know, you tend to have long and secure relationships. Since you are a natural conservative, those older than yourself (authority figures) tend to benefit you.

*Sun Trine Saturn (orb: 04 14')*

You are enchanting, and can transport a group of people with your mesmerizing words, action, or music. Through you, others catch a glimpse of a world more unified than the one they find themselves in, and hear from you of the life they know exists beyond the mundane. Once under your spell, you could motivate them to do almost anything. You owe much to your upbringing, which tolerated and gave support to your dreamier side. You can be very compassionate, and understand the feminine side of life.

*Moon Trine Neptune (orb: 07 03')*

# Challenges in your Relationships

## Report for Rene

You find yourself hampered by authority and elders. Too many rules and regulations may inhibit or put a damper on what your heart feels like doing. You may procrastinate and put off attending to the necessities, with the result that duties tend to pile up. You might be somewhat defensive about expressing your real likes and dislikes for fear of being criticized or cut down. You don't always play by the rules.

*Venus Square Saturn (orb: 00 46')*

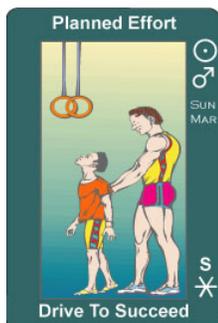

A history of insecurity, possibly fear of confrontation and of getting to the heart of things. Competitive to the point of power struggles. Frequent blow-ups. Things tend to build up to the point where you go through some big transformation and start over. Your attempts to control relationships end with your feeling rejected. A very understanding, psychologically oriented partner is in order.

*Mars Square Pluto (orb: 02 28')*

You could have a fear of the new and different -- of sudden changes. However, once they occur you really get a charge out of them. You would like to break away and live an unusual, exciting existence, but your conventionality holds you back from making the move. The result is that you often feel frustrated and mired in the humdrum. Jealousy in love affairs could present a problem.

*Venus Square Uranus (orb: 05 35')*

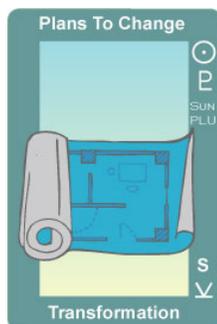

Others sense in you the presence of much energy, almost a tension. You may tend to have trouble just relaxing and find yourself always on the go, doing things. This aggressiveness could lead to undue competition and striving. You may have a sense that you can't always trust your drive and feelings. There also could be a tendency to buck authority, in particular, powerful men.

*Sun Square Mars (orb: 06 27')*

You may have a tendency to poke your nose into others' business. You can't resist, and yet you're often afraid of what you'll find. Skeletons in the closet and sensitive areas of people's lives both fascinate and terrify you. You have trouble just coming right out and dealing with a touchy subject. It puts you through too many changes. You would rather snoop around.

*Mercury Opposition Pluto (orb: 06 34')*

You may have an inordinate fear of dying or confrontation, for there is a part of you that resists change and tends to put off getting down to the real heart of a problem and clearing it up. This attempt to avoid confrontation may find you involved in one power struggle after another when it comes to personal relationships. All of this creates a lot of energy that you carry around with you. Working it out takes patience and great care. You tend toward explosions and may have strong disagreements with authority figures.

*Sun Opposition Pluto (orb: 08 55')*

It may have been hard to get emotional support over the years, and your temper has not always been a help to you. You have had to work a lot of problems out for yourself. While you do have a lot of motivation and energy, often there is some difficulty in getting it channeled in useful directions. Sometimes you feel that others don't like you. You require a partner that can give you lots of emotional support. There could be a basic ambivalence with your mother, or with women in general. You may not feel like working.

*Moon Square Mars (orb: 09 36')*

# Your Relationship with Celine

## Report for Rene

You knew from the moment you met her that here was a person who couldn't help but be supportive to you. She approves of almost everything about you. At times this could get a touch claustrophobic, but if you need a boost, here is a good partner. Because she is so indiscriminating, the temptation is to add her to your fan club, which negates the value of this support. Everyone enjoys being a hero once in a while.

*Her Moon In Your First House*

You may not be famous for your willingness to sacrifice, but if anyone can get you into this mode, it is Celine. She has a way of encouraging you to let go of a whole lot of small grievances that you have hung onto in the past. Somehow it's very clear when you're with her that they are not worth the hassle. She really helps to separate the wheat from the chaff in your character. You get the feeling that you are about to be a lot better person. It's not a totally unattractive feeling.

*Her Sun In Your Twelfth House*

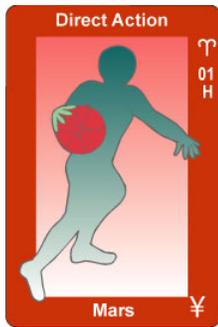

You probably have some very unusual communication with Celine. She is not afraid to speak about spiritual ideas and does not draw the line at just talking. You may find yourself examining your actions and motives when you are with her. You come away with a feeling that you need to give more of yourself, be more long-suffering, put up with more. She tends to bring out a self-sacrificing quality in you. You find yourself letting go of the unessential and frivolous, choosing the moral and the good. It's not the worst thing that could happen.

*Her Mercury In Your Twelfth House*

It's not everyone that can have the side-effect of making us feel a little saintlike. This does happen when the two of you get together. She manages to find qualities in you like self-sacrifice and forgiveness that you may have overlooked in yourself. In Celine's "light" your better qualities get exposed. She appreciates your more dreamy and psychological side too. There is a lot of silent rapport there.

*Her Venus In Your Twelfth House*

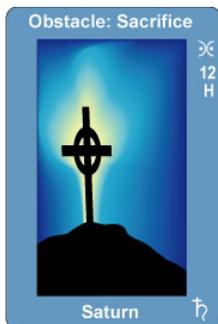

Celine is nothing else if not stimulating, and she may be downright challenging or irritating at times. It all depends on what mood you're in. If you need a boost, a little competition, then she is tailor-made for the job. If things are already hectic, then you may not enjoy the ride. There is the potential here for a good sexual relationship too.

*Her Mars In Your First House*

Celine tends to lead you out of yourself, and urges you to make greater efforts, to reach out and express yourself. You may overdo. Certainly she is a key person as regarding how you view and feel about yourself. Through her you have come to experience more confidence and happiness. You are proud to be with her and, most of all, she is just fun to be with. Children and animals are two things you share. There may be a tendency to spend all at once. You feel creative and artistic around her.

*Her Jupiter In Your Fifth House*

She seems to be very hard on your sense of altruism. Your attempts to be charitable or to sacrifice may be played down or belittled by her. She won't tolerate your feeling sorry for yourself or for the state of the world. It could be difficult for you to feel philanthropic or kind when the two of you are together.

*Her Saturn In Your Twelfth House*

She may view work in a very unconventional manner, preferring to work odd hours or in a different manner when it comes to working for others. Celine always manages to find different ways to approach routine subjects. This could include alternate or new-age methods of eating, health care, exercise, and the like. She can do detail work, and is a responsible friend, but not in a 9-to-5 sort of way. She can be ever so inventive and labor-saving when it means finding an alternative to tedium and routine.

*Her Uranus In Your Sixth House*

She exerts a powerful dreamy influence over you which could appear as a perfect union. There is no doubt that the two of you may run around together in a kind of trance. Your social life may have all of the attributes of an award-winning movie. Your friends may feel that you are the perfect couple. Chances are you will wait for a clear day to see if what you have will last. Dancing, late nights, bright lights, big cities are in order.

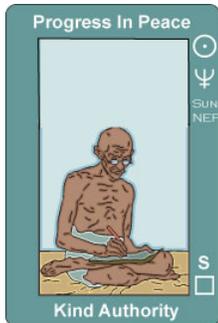

*Her Neptune In Your Seventh House*

She exerts a powerful influence on your habits, especially when it comes to self-improvement. She may revolutionize your ideas of eating, health, exercise, and taking care of yourself. You may find that your work habits change through knowing her and that you are more aware of subordinates than you were. All of this is not likely to be a tranquil change. She is almost ruthless when it comes to revealing your weak spots and urging you to do something about it. All in all, this could be a very valuable experience.

*Her Pluto In Your Sixth House*

# Strengths in your Relationship with Celine

## Report for Rene

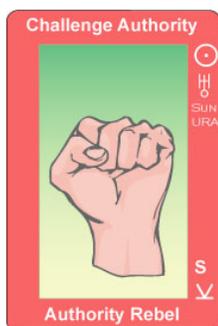

You understand, and are in sympathy with, her dreams and ideals, which is very important to her. There is a sense of shared vision, and you probably both like the same movies. Her imagination complements yours. She may tend to idealize you.

*Your Sun Sextile Her Neptune (orb: 00 21')*

This could be a very physically satisfying relationship, one with lots of action and good emotional exchange. Work hard; play hard. You may have a healthy sense of competition, since you both tend to urge the other to greater heights. Sports or exercise could be important.

# Challenges in your Relationship with Celine

## Report for Rene

You find that it is easy for you to hurt her feelings, or she takes offense easily, with the result that she is not always as supportive of you as you might wish. You both waste a lot of time holding out against the other. You may feel that she ignores you.

*Your Sun Square Her Moon (orb: 03 38')*

There is this sense of the unromantic. She may feel that you don't value her ideals and don't support her dreams. You may find her unrealistic and may not appreciate "escapism" on her part.

*Your Venus Square Her Neptune (orb: 05 20')*

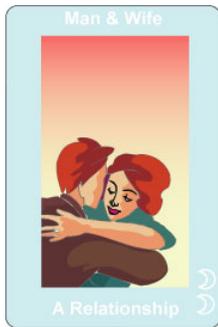

Romance aside, this is not a good combination for any business relationship. You are not very appreciative of her decision-making, and you probably seldom take her advice when it comes to career decisions. She may persevere against your best wishes, with the result that she may tend to overdue, overspend, and get carried away.

*Your Venus Opposition Her Jupiter (orb: 05 41')*

You may tend to ignore Celine's feelings, resulting in arguments and clashes of wills. Your relationship tends to run hot and cold, but when you're hot you are very hot. There may be some hard feelings between you.

*Your Sun Square Her Mars (orb: 06 06')*

Push me; pull you. There is a tendency to end up feeling at odds with one another no matter what the issue. This could manifest in hard feelings and a lack of support on each of your parts. It is a no-win situation, and even a bit humorous.

*Your Moon Square Her Moon (orb: 06 46')*

You may find her somewhat repressive of your feelings. She manages to put a damper on you every time you get to feeling good and comfortable. There is no way you will support this side of her, and this could lead to a real standoff.

*Your Moon Square Her Saturn (orb: 08 05')*

There are a lot of hurt feelings in this relationship. Argument and power struggles are to be expected. You tend to ignore, or not be sufficiently supportive of, Celine's feelings. She can't help but get in digs at you on a regular basis.
